

## Senior Exercise in Chemistry 2009-2010 DATES

Monday, August 31	Papers will be available in Tomsich Reading Room and at P:\Class\Chemistry\SenEx\SenExPapers09
by noon on Wednesday, September 9	Notify Sonja Gallagher of your first, second and third choices of the papers made available. Lacking notification by this point, a paper will be chosen for you.
October – December	Determine topic for written portion of the exercise. Research and write the review. Meet with faculty mentor to discuss written portion of the Senior Exercise.
by 5 pm, Monday, December 21	The written portion of your senior exercise is due. Copies are to be sent to the Senior Exercise organizer by e-mail.
October – January	Make contact with the faculty mentor for the oral portion of the senior exercise before leaving campus for winter break. You should have selected your second paper by this time. Work on literature searches and attend seminars to learn about presenting research results. We will have four speakers from outside the department this semester and you must attend at least three of those talks.
Friday, January 22	You will receive feedback on the written portion of your Senior Exercise.
7 days before your talk	An abstract for your oral presentation is due. Place one copy in the mailbox of each faculty member (Cummings, Getzler, Hemkin, Hofferberth, Hunsen, Keller, and Thomas). Place a copy of your abstract AND other research paper(s) in the Reading Room.
February 16, 17, 18 (TBD)	Oral presentations for Chemistry Department in the evenings 7 – 9 pm. Attendance at all talks is required, scheduled academic conflicts excepted.
February 19	Make an appointment to meet with the Senior Exercise organizer to go over your oral presentation and (at the discretion of the department) discuss additional work required to complete the Senior Exercise.
March 5	All additional work must be completed.
April – May	Celebrate!
